

## **ICMS 2020**

International Conference on Innovative Computing and Management Science 2020

### **(Call for Workshops Proposals)**

**Location: Yilan, Taiwan**

**Conference Date: July 29 – July 31, 2020**

**Conference Website: [icms2020.org](http://icms2020.org)**

The ICMS 2020 organizing committee invites proposals for workshops to be held in conjunction with the main conference. The purpose of a workshop is to provide participants with the opportunity to present and discuss novel research ideas related to active and emerging topics in symposium on Innovative Computing and Management Science. The workshop organizers will be responsible for setting up the workshop website, coordinating the review process and collecting the camera ready papers. Workshop authors are required to have a full registration to the main conference. Researchers from academia and industry are invited to take this opportunity and submit workshop proposals on hot topics in the scope of the conference. All proposals will be reviewed and evaluated by the ICMS 2020 organizing committee.
